<p>The Remote Primary Health Care Manuals are currently being updated and the new editions are planned for distribution in late 2022. We are currently out of stock of the Medicines Book for Aboriginal and Torres Strait Islanders Health Practitioners until the next edition. Due to limited remaining supplies and to ensure equitable access, supplies of the current Standard Treatment Manual and Women's Business Manual are limited to 20 copies of each per organisation. The CRANaplus Clinical Procedures Manual for Remote and Rural Practice - 4th Edition is currently available at the discounted price of \$30 while stocks last. Manuals are only available for purchase individually and not as a suite.</p>
